THE PEMBINA NEWS ADVERTISER

DECEMBER 11, 1958

Vol. 3. No. 49. L. Playford, Editor.
Box 120. Drayton Valley, Alberta.

MERCHANT DONATES BUILDINGS FOR SKATING RINKS.

DALES SHOPPING CENTRE will donate building materials for two 8 by 12' clubhouses for the skating rinks.

One of the buildings will be donated to the new Hockey Rink the Lions erected; one of the buildings will go to the Rotarians' Kiddie and adult rink at Kiddies Park.

Materials for these two club-houses for the rinks will be given with the understanding that members of the two service clubs and other interested parties will volunteer to build them.

RECREATION BOARD WRITES OPEN LETTER TO DISTRICT.

"Your Recreation Board takes great pleasure in informing all skaters of Drayton Valley and district that on and after Saturday, December 13, the Skating Rink will be open for skating.

You may purchase your skating tickets from the following places:

Town Office. H.O. Williamson Store
Valley Drug Ltd. Pembina News Advertiser.

FAMILY TICKETS are: \$3.00 for the season.
INDIVIDUAL TICKETS are: \$1.50 for season.

A full time caretaker will be in charge of the Skating Rink and supervision will be supplied by Recreational Directors during certain periods of the week.

Schedules of skating regulations will be hung in dressing rooms. Facilities are also being prepared to provide music for skating."

HOCKEY RINK TO BE IN USE SOON.

Drayton Valley's Hockey Rink, erected by the Lions Club of Drayton Valley with a lot of wonderful help from other civic minded groups and individuals will be in full use soon. Final flooding will soon be completed, and the ice will be in first class shape. Some practice hockey has already been played on the rink and two hockey clubs have been organized, the Senior Hockey Club and the Junior Hockey Club.

The Junior Hockey Club is made up of those in High School and the Senior is made up of those who are above high school age.

President of the Senior Club is Morley Suiter,

HOCKEY RINK (continued)

employed with Jones and Laughlin Oilfield Supply Co. Fred Parnall is secretary-treasurer for the club and there are five representatives from each of the five teams who are members of the club.

Representing the Supply Houses is Bill McLellan; Pan American Petroleum Corp. is represented by Orie Mandryk; For Mobil Oil Co. Larry Edgar will be the representative. Wayne McLaren will represent Servicing and Johnnie Poloway will be the representative for Pembina Pipe Line Ltd. The Senior Hockey Club was formed at a meeting the end of November. As soon as it is known for certain when the ice will be ready for regular use schedules will be made up and will be printed in the paper.

Representatives for the Lions Club on the Senior Hockey Club are John Moody, Bert Demers and Peter Hebo. These three represent the Lions Club in the construction of the rink.

Flooding of the rink has been done by members of Drayton Valley Fire Brigade, Mobil Oil Co. and Supply Houses, of Drayton Valley. Among those who have given time on the construction of the light standards and other metal sections of the rink are John Kuchnak, welder for Western Rigging, Gene Rendleth, welder for Albert Larson, welder. Help on the lighting has been given by employees of Calgary Power.

On the construction of the rink McGulder Construction, under the supervision of Bert Demers, has supplied valuable help. Various other companies and individuals in the area have donated materials or labor to the rink.

The finished product will be an addition to the town and district of which all may be proud, and which will serve a very useful recreational purpose here.

GURLING RINK HAS ARTIFICIAL ICE.

Preliminary curling got underway in Drayton Valley's huge five sheet rink on Wednesday evening, December 10. Rinks are to be picked on Thursday night, December 11 and the first Bonspiel of the season will be held this week.

Five miles of plastic piping has been installed by Canadian Ice Machine Co. of Edmonton, to provide artificial ice. Water flowing through the pipes comes through a brine cooling system, composed of calcium chloride and water. The refrigerating system has been installed in a building which has been erected against the rink, on the south side of the building.

KEN MASON'S COLUMN:

The Farmer's Union of Alberta may be getting ready for another attempt to bring about compulsory membership for all farmers.

A resolution scheduled to come before the union's annual convention here this week asks that every farmer be taxed had cant per acre to cover FUA dues. The money would be collected by the municipalities and turned over to the union head office.

The outcome won't be known until the resolution reaches the floor of the convention, but one thing is clear: Such a plan could never be put into operation without governmental approval and legislation permitting municipalities to collect the tax.

And from past experience, it seems highly unlikely the government will go for the idea. Previous attempts at introducing compulsory membership have been given a cool reception.

The government and some FUA officials just can't see eye to eye on the subject. The union attitude is that all farmers should belong because the FUA is a good thing. The preamble to the resolution says: "All farmers benefit from the FUA but many are not paying their fair share".

What they forget is that some farmers have little or no use for the FUA. The government takes the stand that it has no business forcing anybody to join any group.

The acreage tax is a new approach, but the principle is the same. In the past, the FUA has suggested that municipalities collect the membership fees as part of the regular municipal taxes and turn the money over to the union.

The government turned this down repeatedly, until last year when both sides modified their stand slightly. A bill was passed at the last House session permitting municipalities to collect farm union dues, but only if the farmer volunteered to join and asked that his dues be collected in that manner.

Government officials declined to comment for the record on the latest proposal, but privately they feel it has little chance of ever being introduced.

ALBERTA WILL TAKE a major stride forward in the field of assistance to students next year with the introduction of a greatly expanded program of scholarships, bursaries, grants and loans.

Details of the plan were released last week after cabinet approved the initial recommendations of a special committee which has been studying student aid. In its first year, the program will cost around \$1,170,000, and most of it will go to university undergraduate students and teachers in training.

Undergrads will be eligible for some 1,200 memberships, bursaries, grants and loans totalling \$475,000. Teachers in training will be in line for some 1,400 grants and loans worth the same amount. The remainder will be distributed among graduate students, student nurses, high school students, and young people attending agriculture or vocational schools.

Aim of the program is to ensure that no deserving student will be denied a university education.

Ken Mason's Column:

action for financial reasons.

The next session of the Legislature will be asked to appropriate money to get the program started. It will involve a major increase in spending on student assistance, which this year is costing slightly more than \$400,000.

HERE'S A LITTLE GEM left over from the recent Social Credit convention: Nothing the government has done in the past year's has received more publicity than the new-fancied five-year plan. But delegates at the convention passed a resolution urging the government to prepare a booklet to acquaint citizens with the plan and overcome the "publicity boycott" which has hindered the general public in becoming acquainted with the details.

Economic Affairs Minister Russell Patrick told the convention a booklet is being prepared and will be ready for public distribution early in the spring. He added that since it is being published at public expense, it will have to be strictly factual and without any political overtones.

So anyone who hasn't read a daily or weekly newspaper or listened to the radio in the last four months will have to wait until next spring to find out what the five-year plan is all about.

C.W.L. NEWS.

The December 1st meeting for the C.W.L. took the form of a Christmas Social at which husbands were invited and entertained. The meeting was held at the home of (Mrs.) Mrs. E. K. Jensen and the Social in Perforating Gun shop. The C.W.L. decided that instead of Christmas treats for the Kiddies this year they would spend an equal amount and buy toys for the Hospital.

The Tea and Bake Sale held in November was well attended. The Food Hamper was won by Shirley Seiban and the Cake Raffle by Mrs. Wollen. Sincere thanks to all who helped make it a success.

Congratulations to Mrs. J. Hennessey on the birth of a son, December 6, at Drayton Valley Hospital.

The Hospital Visitors for this month are Mrs. M. Powers and Mrs. C. Dion. For January it will be Mrs. K. Petersen and Mrs. M. Demers.

The C.W.L. wish to take this opportunity of wishing one and all a very merry and Holy Christmas.

Next meeting will be January 5, at the Rectory.

FROM THE TOWN MANAGER'S NOTEBOOK:

In 1956, at the close of the year, in the Town of Drayton Valley there were 24 miles of Water Mains; by October 31, 1958, however, this figure had been increased to a total of 64 miles, almost triple what it had been in 1956.

NEW SPEEDY CHECKOUT INSTALLED. Dale's Shopping Centre recently installed a new Speedy Check-out in their store, along with a new Produce Case. Bruce Robinson Electric did the installation.

DRAYTON VALLEY HIGHLIGHTS. (continued)

The Anglican W.A. wishes to thank all those who made their turkey dinner the success it was.

Mrs Arnold Lloyd spend last week in Calgary visiting with her daughter, Miss Donna Lloyd.

UNITED CHURCH W.A. MEETS.

The United Church W.A. held their December meeting at the home of Mrs O. Williamson. After the

(next column)

UNITED CHURCH W.A. MEETS (continued)

business meeting had adjourned there was a social evening which also included the husbands.

A very enjoyable time was had with games and good fellowship. Following this a most bountiful lunch was served and in time with the season, there was turkey and all the trimmings. Everyone went home feeling we should do this more often.

(Mrs Hawwa, Secretary)

Dr. MACLURE ATTENDS COURSE.

Dr. MacLure has recently completed a course on Orthopaedics held at the Jubilee Auditorium in Edmonton.

Twenty-five doctors, drawn from all over the Province attended the course. The course was sponsored by the University of Alberta and the Canadian Medical Association.

BOXING: ASSOCIATION MEETS.

The Pembina Boxing Association met on Tuesday December 9 to discuss plans to form the boxing association. About twenty were present for the meeting.

Another meeting of the association is planned for December 19, Friday, in the Scout Hall at 8:00 p.m. All those who have athletic equipment are asked to attend the meeting so that the committee in charge of securing equipment will have an idea just how much will be needed. Membership cards in the association have been printed and are available from Secretary Al. Miles, or President Gordon Cross.

NEW HEALTH UNIT NURSE.

Miss Sybil Gamble, R.N. has assumed her duties in the Drayton Valley sub-office of the Edson Health Unit office.

Miss Gamble came to Drayton Valley from Edson. She was raised in Taber, Alberta. Mrs Betty Lundberg R.N. was the former Health Unit nurse here.

HERE AND THERE.

Angus McNeil of Mobil Oil was in D.V. recently Mr McNeil was in charge of operations in the Drayton Valley office at the beginning of the oil boom here, and then was transferred by his company to Calgary.

Carrie Ellen Kelly was the name given to the little daughter born to Mr and Mrs Cecil Kelly. For some strange reason the P.M.A. listed the birth as to Mr and Mrs Cecil Jarvis in last week's edition. That was highly inaccurate and we extend our apologies.

Mr and Mrs Dick Martin and family left D.V. recently to return to Saskatchewan. Mr Martin's father is seriously ill and Dick will look after the farm there.

Other recent departures from Drayton Valley are Pan Am's Mr and Mrs Kreb, and Mobil Oil's Mr and Mrs Peter Fleming. Both families were transferred to the Calgary offices of their companies.

Alex Grant, of D.V.'s Royal Bank, returned recently from a holiday trip to Great Falls, Montana, Calgary and three hills, Alberta.

THE ROYAL BANK OF CANADA

DRAYTON VALLEY OILWIVES ASSOCIATION.

A recent meeting of the Oil Wives of Drayton Valley took on a festive air at the Christmas party which preceded the regular monthly meeting held in the Cardium Room of the Drayton Valley Hotel.

Following refreshments and the traditional fowl dinner the business meeting was called to order by president Jean Bosworth. The minutes were read and reports were heard from each committee group. Danita Boiling, chairman of the program committee, outlined plans for a Semi-Formal planned for early in February and since attendance will have to be limited, asked that anyone interested contact Kathy Shaw as soon as possible. Mrs. Boiling also thanked Shirley Tolcher for doing a very capable job of handling the programming during her absence.

Letters of resignation were read from Viva Heyland, 1st Vice President and Lois Fleming, Historian, and were accepted with regret. Nominations and elections were held to replace these two vacancies. Following a ballot vote, Ruby Halliday was elected 1st Vice President and Jean Magee will take over as club Historian.

At the conclusion of the business Mrs. Bosworth turned the meeting over to the Program Committee who entertained with a quartet singing Christmas carols, a Christmas story read by Molly McDonald followed by the distribution of gifts to all. The program was brought to a very successful conclusion with group carol singing and a wish for a Very Merry Christmas and Happy New Year for all.

DRAYTON VALLEY HIGHLIGHTS.

BY: Edith Deby.

The Ladies of the Women's Institute wish to thank all those who helped make their recent bake sale a success. They especially wish to thank Mr. Lloyd for the use of space in his store and Mr. Copeman for advertising raffish articles in his window. Many thanks, also, to the ladies who helped with articles for the bake sale.

These are the names of the lucky winners: Mrs. Arnold Larkins-fancy cake baked by Mrs. Gordon Brown; Mrs. Bruce Palmer-skates; Mrs. C. Seymour-card table; J. O'Rourke-sleigh. Sorry you couldn't all win, folks. Thanks for trying.

Kent Williamson, son of Mr and Mrs Ossie Williamson has finished his first semester at Red Deer Composite High School and is home for a few days holiday.
